Here's what St. Francis viewers have to say:

"Besides wonderful movies for all ages, there are many educational shows to watch. Every morning, I receive a reflection in my inbox from Dr. Tim Gray based on the readings of the day. He's wonderful."

"I feel blessed and privileged to have been turning to FORMED since St. Francis started its subscription. I have downloaded the FORMED app which I often open to see a movie or listen to a book or listen to their special talks on the liturgical seasons. Their courses on the books of the Bible have been very helpful for me to understand the Bible better along with the parish Bible classes. Because of Formed, my prayer life, knowledge and understanding of my faith has broadened tremendously."

"Saints and Heroes, with real kid actors, helps my kids learn about the saints or liturgical seasons. It's a great catechetical tool and coordinates with their religious ed program. During Advent and Lent, we use the three-minute Brother Francis videos in our prayer time."

"I listen to Dr Gray's five-minute Daily Reflections. It's a great way to start the day - reflecting on the daily readings and inspired words. We enjoy the audio dramas available on Formed. They are very well done, educational as well as entertaining. They have been fantastic road trip entertainment!"

"Formed has so many, diverse programs! There are movies that are helpful during times when the household is avoiding secular entertainment. There are children's programs. And the available series are so educational! The one on sacred art was good! We love the Formed app and appreciate the gift from the church!!"

"Sometimes, instead of going to Netflix when I want to watch a movie, I go to FORMED and I'm inspired by the lives of the saints or timely topics."

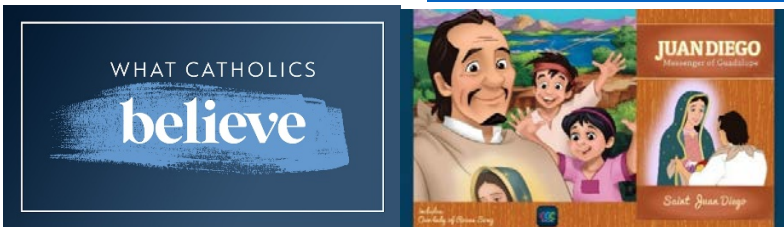

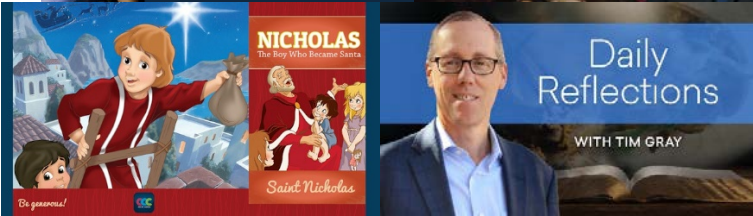

"I wasn't attracted to the audio books, but a friend at church told me how inspired she was by the biography of St. Catherine of Siena, and now I listen to it while I eat lunch. There's something for every age group, too."

"This Advent season walk with Dr. Tim Gray is wonderful! I have used 'The Search' with those who have struggled with their faith, Christianity, and Catholicism. "

A five-year-old boy: "Brother Francis is my favorite because I learn a lot of things about God. My sister likes God's Princesses."
