

# FOR YOU!

Our Church is Making More Support and Faith-Based Resources Available to Our Families Caring for Loved Ones

As part of our caregiver ministry, we're excited to share with you a whole bunch of resources, prayers, activities, tips, and beautiful reflections to support you and inspire you.

It's as easy as 1, 2, 3

Inside the Nourish for Caregivers Portal, our church has its own **PRIVATE** community for us to connect and pray for one another!

Quickly setup your membership at <https://bit.ly/CaregiverMembership> OR scan the QR code to the right on your smart phone, and you're in!

Find our Church in the "Groups" area and ask to join us there.
